

Great leaders are inspiring. They know where they are headed; the visions they are trying to create, and have the unique ability to enlist others who can help them get there.

Today, leaders at every level understand that leadership is a lifelong learning process. Everyone is born with a unique set of talents. Yet only through a continuous upward learning climb can leaders truly become remarkable.

This 1-day workshop explores the art and skill of leadership through specific leadership lessons that will help any current or future leader enhance their own abilities, and mobilize their team to achieve extraordinary results.

Learners Will:

- Identify five key practices of leaders.
- Examine ways to build leadership credibility so that others want to follow your example.
- Discuss the art of visioning and its importance to followers.
- Learn the differences between management and leadership.
- Examine exemplary communication practices of leaders.
- Review ten key leadership behaviors to model for employees.
- Examine the leader's role in creating empowering environments where employees feel valued and willing to get the job done.
- Explore leadership strategies for improved team performance
