

Diversity and Unlawful Discrimination Online Compliance Training and Testing Program for Managers and Employees

To assist state agencies and other public and private organizations with their Diversity and Unlawful Discrimination training efforts, the Center for Management and Professional Development (Center) works in conjunction with a training provider to offer a *web-based Diversity and Unlawful Discrimination Compliance Training and Testing Program* for supervisors, managers and employees.

The online program includes segments on appropriate workplace behaviors, business ethics, workplace diversity, sexual harassment and other issues related to unlawful discrimination. The program meets and exceeds the established requirements for diversity and unlawful discrimination training recommended by the Missouri State Training Advisory Council (STAC).

The program can be accessed by each participant from their own work computer (with Internet access) and includes a **TESTING COMPONENT** to ensure application and comprehension of the content presented.

Participants can enroll for this program via the Center's online enrollment form. Once enrolled, they will receive information via email about the program and instructions on how to access the program. Participants will have a window of time (i.e. a pre-determined number of days) based upon established enrollment dates in which to begin and complete the course. Many participants typically complete the course in **less than 2 hours**.

A reporting mechanism will track completion of the training and allow the Center to provide documentation of compliance testing to the participant's agency or business as needed.

Investment: \$40.00 per person
